Member Handbook

CAPE SYMPHONY YOUTH ORCHESTRA PROGRAM (CSYOP)

CSYOP consists of four levels of ensembles: Cape Symphony Youth Orchestra (Advanced), Repertory (Intermediate), Debut (Adv. Beginner), and Primary (Beginner). Each ensemble focuses on varying levels of musicianship and technique and aims to place students with similar ability together. All members of CSYOP will learn to rehearse and perform, like the Cape Symphony, exploring the beauty and intricacy of history's greatest compositions while continuing to grow their musicianship and technical ability. We welcome all young musicians who play orchestral instruments (up to age 21, generally) to audition for placement in one of our ensembles. It is our mission to inspire joy and we achieve that goal by sharing our love for music performance and education with the next generation of Cape Cod musicians. Each season begins in Mid-September and concludes in May (before Memorial Day weekend).

CSYOP faculty includes professional chamber, orchestra, and solo musicians who have dedicated their careers to music performance and teaching. Our instructors, and frequent guests from the Cape Symphony, will guide students in sectionals and provide support in rehearsals, often playing side-by-side with students while they learn to navigate the challenges of orchestral playing.

For all general questions or absence communication, please contact our Personnel Manager.

CSYOP ENSEMBLES

*All current schedules available on webpage and sent to members upon acceptance

CAPE SYMPHONY YOUTH ORCHESTRA, Conductor: Mark Miller

An advanced ensemble geared toward high school and college students. Members will rehearse together as a full symphony orchestra and prepare repertoire similar to that of a professional orchestra.

REPERTORY STRINGS, Conductor: David Gable

This ensemble serves as a training ground for students who aspire to play in the string section of CSYO, but need a bit more experience. Through the performance of chamber music, these young musicians will focus on developing musicianship while building a strong technical foundation on their instrument.

DEBUT STRINGS, Conductor: David Gable

An ensemble for advanced beginners who aspire to play in Repertory or CSYO but need more experience. Rehearsals will focus on building musicianship and technique to prepare members for the challenge of performing more advanced repertoire in the future.

PRIMARY STRINGS, Conductor: David Gable

An ensemble specifically designed for our youngest students (recommended for grades: K- 5). This program marks the start of our student's musical journey where they'll learn the basics of playing an instrument and participate in group performances.

HONORS CHAMBER WINDS, Instructor: Elizabeth Doriss

A select group of wind players who will learn to perform as a chamber ensemble. This ensemble may be asked to perform at special events and help with outreach/recruitment for CSYOP.

WIND ENSEMBLE, Conductor: Alison Heleen

An ensemble for intermediate-level woodwind and brass players who aspire to play in CSYO, but need a bit more experience. Rehearsals will focus on building musicianship and technique to prepare members for the challenge of performing more advanced repertoire in the future.

REPERTORY PERCUSSION, Conductor: Mark Prall

This ensemble will be devoted to preparing and performing percussion ensemble repertoire while learning to play a wide range of symphonic percussion instruments. The skills acquired in this ensemble will build students' musicianship, technique, and confidence to perform at their highest ability in their school music programs and CSYOP.

**All Percussionists will play in Repertory Percussion ensemble as well as assigned ensembles. CSYO Percussionists rehearse at BHS when not with Rep. Perc.

REQUIREMENTS:

Go to <https://www.capesymphony.org/education/youth-orchestra/auditions>

Specific requirements listed by instrument and ensemble.

CURRENT MEMBERS:

Members participating in the current season are automatically accepted into CSYOP for the following season, **but must re-audition in June to guarantee their current ensemble placement for the next season.** This also lets us know you are committed to returning and helps our team plan for the future.

PROMOTION:

Members who wish to “move up” to a more advanced ensemble [mid-season] must have a recommendation from their current ensemble director to request an audition.

NEW MEMBERS:

All new members and current must audition each season. This not only helps us place students in the appropriate ensembles, but helps our conductors choose repertoire that is both challenging and attainable for each group.

OTHER DETAILS

TUITION

Tuition covers staff, guest musicians, special events, rehearsal spaces, concert venues, and much, much, more. We are able to keep tuition low with the help of generous donations from individuals and charitable foundations.

All Ensembles: \$600*

Martha's Vineyard Members: \$300*

*Tuition fee waived for members enrolled in weekly private lessons through Cape Symphony.

All accepted members will receive a link to our registration form for enrollment.

For questions about payment, contact our registration team: 508.362.2772

MASTERCLASSES

Members of CSYO (ensemble) will have priority to perform in these special events that give young musicians the opportunity to perform for Cape Symphony musicians and guest artists. The experience one receives performing in a masterclass can inspire incredible growth and often creates a greater sense of community within various instrument families of the orchestra.

CAPE SYMPHONY TICKETS

Members of the CSYOP will be first in line to receive free tickets to Cape Symphony concerts through our Tix4Music program. There will also be opportunities to attend Cape Symphony rehearsals throughout the season.

PRIVATE LESSONS

It is not required to enroll in lessons at Cape Symphony, but those who do may be eligible for financial aid and/or scholarship (please ask). All students enrolled in private lessons with a Cape Symphony teaching artist will have their CSYOP tuition waived! We highly encourage every member to take weekly private lessons as it is vital to all young musicians' development.

In-person and remote lesson offerings vary by instructor. Call: 508.362.2772

FINANCIAL AID

CSYOP MEMBER EXPECTATIONS

As a member of CSYOP, your personal progress as a musician and the collective progress/success of the ensemble depend upon your full participation. By joining CSYOP you make a commitment not only to yourself, but to each of your fellow musicians, to:

1. **Attend all rehearsals** (see Attendance Policy on next page). Our time together is limited and the music we are preparing to perform will be challenging; we must value every rehearsal.
2. **Be on time:** Students are expected to arrive 15 minutes prior to the start of rehearsal so that they can warm up and prepare to rehearse at the scheduled "down-beat". Be in your seat, ready to play, at least 5 minutes before the scheduled start of rehearsal with all of your music and relevant equipment (mutes, pencil, reeds, etc.) within reach.
3. **Prepare/practice ensemble music before and between rehearsals:** The primary purpose of rehearsal is to grow together as an ensemble, not to learn your individual part. If there are issues observed with any student's preparation level, they may be asked on a week's notice to perform certain parts of their ensemble music for the conductor or a faculty member.
4. **Engage in rehearsals:** pay attention, follow instructions, mark reminders and changes in your parts, and avoid distractions. Cell phones and other devices are to be turned off before rehearsal begins.
5. **Carefully read all emails** from the Personnel Manager or Conductor (communicate with parents). These emails contain essential information related to your ensemble. Respond to the emails in a timely manner!
6. **Regularly study with a private teacher.** Private study is essential to the development of all musicians and will greatly assist with any technical challenges presented in our ensemble music. Information about lessons (and financial aid) can be found on p. 6.
7. **Participate in school music programs** (if available). One rehearsal per week is not enough to develop one's ear, ensemble skills, and musicianship to its fullest potential. Not to mention, you are CSYOP's greatest ambassadors; be a leader in your school program and inspire others to join!
8. **Be supportive of one another:** praise good work, offer assistance/encouragement when needed, and hold each other to high standards.

ATTENDANCE AND LATENESS POLICY

1. All CSYOP members* are allowed no more than two unexcused absences per semester. Attendance at Dress Rehearsals and Concerts (same day) is required for all members. **Martha's Vineyard members are allowed only one unexcused absence per semester. Boat cancellation or concern for return travel cancellation due to poor weather conditions will be an excused absence.*
2. Weather events may interfere with rehearsals, we will do our best to communicate 24 hours before rehearsal to announce any cancellations or campus closures.
3. All members must notify CSYOP Personnel Manager of any upcoming absences from rehearsal. Email is the preferred method of communication.
4. Once a student has exceeded the allowed absences, they may be asked to play excerpts from their music for their conductor. This is to ensure that frequently absent members are keeping pace with the rest of the ensemble, and should not be considered disciplinary.
5. Excess Unexcused Absences could lead to loss of membership/demotion and is at the discretion of the CSYOP Artistic Staff. Refunds will not be offered.

Excused Absences: must be communicated 24 hours in advance with the exception of sudden illness/injury (please call Personnel Manager in that case): Auditions, school music program performances (or required school rehearsals), college auditions, All-Cape Festival, and District Festivals are all examples of excused absences. In general, just communicate early!

Unexcused Absences include: planned absences that have not been communicated at least 24 hours before rehearsal (with exception of illness/injury/etc.), family vacations, homework, sports or other unrelated activities.

Lateness: Late arrivals are disruptive to the ensemble. Students who are repeatedly late will need to meet with the Personnel Manager. Students are expected to arrive at least 15 minutes prior to the start of rehearsal so they can be fully prepared and for rehearsal to start on time.

School Music Program Participation Policy: As CSYOP relies on its partnership with Cape school music programs, all members are required to participate in their school music program, if one is offered. At all grade levels, when scheduling conflicts arise between CSYOP and school music events (especially performances), participation in those school music events is given precedence, resulting in an excused absence.

BEHAVIOR/REHEARSAL EXPECTATIONS

Reasonable standards of behavior and dress are expected while rehearsing, performing, or participating in any event or activity associated with CSYOP. No set of rules can cover every possible situation. The list below, along with common courtesy and respect, offers a guide to appropriate behavior:

1. Demonstrate respectful and polite behavior with CSYOP staff, guest musicians, and fellow students.
2. Put trash in the appropriate containers. We are guests in our rehearsal/concert spaces; leave no trace behind.
3. During breaks from rehearsal, remain in the rehearsal space or in the area immediately surrounding the building.
4. Everyone must take care to avoid damaging instruments or any property in the building. Members are responsible for their own instruments. Do not leave instruments or bows unattended where they might be damaged accidentally. Instruments should be safely put into cases during breaks or when not needed.
5. Cell phones and other electronic devices are to be turned off during rehearsals.
6. Plan ahead and use the restrooms before the rehearsal or at the break. Leaving mid-rehearsal is disruptive, so please reserve this need for emergencies only.
7. Do not bring food or drink, except water, into rehearsal spaces. Refillable water bottles are recommended as they prevent spills and reduce waste. Please eat your snacks in the hallway or lobby before/after rehearsal/during breaks and remember to dispose of your trash properly.
8. Talk among musicians should be kept to a minimum during rehearsals, and should deal directly with issues related to the music at hand.
9. Books, homework, and other materials are not allowed during rehearsal. Musical scores are acceptable and encouraged (especially, if you are tacet for a movement)

PARENT SUPPORT

For members to fully benefit from CSYOP, we request that parents assist with their student's participation in the following ways:

1. Read all emails and materials from CSYOP staff. Respond in a timely manner.
2. Ensure prompt arrival and pick-up at/from rehearsals and concerts.
 - Students are expected to arrive at least 15 minutes prior to the rehearsal start time.
 - Students should be picked up no later than 10 minutes following the end of a rehearsal or performance.
3. Support full attendance to all rehearsals and events by avoiding conflicts with family vacations/events.
4. Encourage private lessons, practice routine, and participation in school music activities.
5. Provide a snack and water bottle for rehearsals.
6. Introduce family friends to CSYOP, especially parents of prospective students.
7. Communicate with CSYOP staff members regarding any concerns, questions, ideas. The sooner we are aware of your concerns, the better chance we have of resolving them successfully.
8. Attend all CSYOP concerts and invite your family!

Volunteering: At various points in each season, CSYOP needs assistance from parent volunteers. Typically, this includes helping at concerts or special events, serving as a chaperone for Cape Symphony Tix4Music Concerts, or carpooling. Parents are always welcome to contact the CSYO Personnel Manager to volunteer or to add their name to a list of volunteers available for a particular task.

Donating: Please consider making a charitable gift to CSYOP to support accessibility through scholarship and continue the growth of the overall program!

ANTI-HARASSMENT POLICY

Harassment, whether physical or verbal, is strictly prohibited and will not be tolerated in any form.
