Student Handbook

CAPE SYMPHONY YOUTH ORCHESTRA PROGRAM

The Cape Symphony Youth Orchestra Program is a year-round program that consists of two ensembles: CSYO and Repertory Ensemble. Members of both groups will learn to rehearse and perform, like the Cape Symphony, exploring the beauty and intricacy of history's greatest compositions while continuing to grow their musicianship and technical ability. We welcome all young musicians who play orchestral instruments from ages 12 to 21 to audition for placement in one of the two ensembles offered. It is our mission to inspire joy and we achieve that goal by sharing our love for music performance and education with the next generation of Cape Cod musicians.

CSYO Program faculty includes professional chamber, orchestra, and solo musicians who have dedicated their careers to music performance and teaching. Our instructors and frequent guests from the Cape Symphony will guide students in sectionals and provide support in rehearsals, often playing side-by-side with students while they learn to navigate the technical challenges of orchestral playing.

For all general questions or absence communication, please message the CSYO Personnel Manager. Please only contact Artistic Staff for music-related questions.

CSYO PROGRAM ENSEMBLES

Cape Symphony Youth Orchestra (CSYO)

Saturdays, 11AM-1:15PM

An advanced ensemble geared toward high school and college students. In this ensemble, members will rehearse together as a full symphony orchestra and prepare repertoire that a professional orchestra would perform. Our conductor, Mark Miller, has more than 30 years of experience working with talented youth orchestra musicians and is motivated to grow CSYO into an ensemble that will inspire and train the next generation of Cape Symphony musicians.

Repertory Ensemble (REP): Strings, Winds, and Percussion

Saturdays, 10AM- 11AM on Cape Cod Community College rehearsal weeks

*Percussion 11AM- 1PM at West Barnstable Campus during these weeks (see calendar)

ALL (Strings/Winds/Perc.): Saturdays, 11AM-1:15PM on Falmouth rehearsal weeks

This ensemble serves as the training ground for students who aspire to play in the Cape Symphony Youth Orchestra, but need a bit more experience. REP is a modular group that will allow winds, brass, strings, and percussion to break off into smaller chamber ensembles (pending on available instrumentation) as well as combine together as an orchestra. Most of the rehearsals are shorter than CSYO and focus on building musicianship and technique to prepare members for the challenge of playing more advanced repertoire in the future.

PRIVATE LESSONS

It is not required to enroll in lessons at Cape Symphony, but those who do may be eligible for financial aid and scholarship (please ask). Also, all students enrolled in private lessons with a Cape Symphony teaching artist will have their CSYO Program tuition waived!

CSYO Program Member Expectations

Commitment

As a member of the CSYO Program, your personal progress as a musician and the collective progress/success of the ensemble depend upon your full participation. By joining the CSYO Program, you make a commitment not only to yourself, but also to each of your fellow musicians to do the following:

1. Attend all rehearsals (see *Attendance Policy* on next page). Our time together is limited and the music we are preparing to perform will be challenging, we must value every rehearsal.
2. Be on time: be in your seat, ready to play at least 5 minutes before the scheduled start of rehearsal with all of your music and relevant equipment (mutes, pencil, reeds, etc.) within reach. Students are expected to arrive no later than 15 minutes prior to the start of rehearsal so that they can warm up and prepare to rehearse at the scheduled "down-beat".
3. Continually prepare and practice ensemble music before and between rehearsals. The primary purpose of rehearsal is to grow together as an ensemble, not to learn your individual part. *If there are issues observed with any student's preparation level, they may be asked on a week's notice to perform certain parts of their ensemble music for the conductor or a faculty member.*
4. Engage fully in rehearsals: pay attention, follow instructions, mark reminders and changes in your parts, and avoid distractions. Cell phones and other devices are to be turned off before rehearsal begins.
5. Carefully read all emails from the Personnel Manager or Conductor (communicate with parents). These emails contain essential information related to your ensemble. Respond to the emails in a timely manner!
6. Regularly study with a private teacher. Private study is essential to the development of all musicians and will greatly assist any technical challenges presented in our ensemble music. Information about lessons, as well as financial aid, can be found on page 8.
7. Participate in school music programs (if available). One rehearsal per week with CSYO is not enough to develop one's ear, ensemble skills, and musicianship to its fullest potential. Not to mention, you are the CSYO Program's greatest ambassadors; be a leader in your school program and inspire others to join us!
8. Be supportive of one another: praise good work, offer assistance/encouragement when needed, and hold each other to high standards.

Attendance and Lateness Policy

1. All CSYO Program members* are allowed **no more than two unexcused absences per semester**. Attendance at Dress Rehearsals and Concerts (same day) is required for all members.
 - ***Martha's Vineyard members are allowed only one unexcused absence per semester**. Boat cancellation or concern for return travel cancellation, due to poor weather conditions, will be an excused absence.
2. Weather events may interfere with rehearsals, we will do our best to communicate 24hrs before (usually earlier) to announce any cancellations.
3. All members must notify CSYO Personnel Manager of any upcoming absences from rehearsal. Email is the preferred method of communication.
4. Once a student has exceeded the allowed absences, they may be asked to play excerpts from their music for their conductor. This is to ensure that frequently absent members are keeping pace with the rest of the ensemble, and should not be considered disciplinary.
5. Excess Unexcused Absences could lead to loss of membership/demotion and is at the discretion of the CSYO Artistic Staff.

Excused Absences must be communicated 24hrs in advance with the exception of sudden illness/injury (please call Personnel Manager in that case): Auditions, school music program performances (or required school rehearsals), college auditions, All-Cape Festival, and District Festivals are all examples of excused absences. In general, just communicate early!

Unexcused Absences include: planned absences that have not been communicated at least 24hrs before rehearsal (with exception of illness/injury/etc.), family vacations, homework, sports or other unrelated activities.

Lateness: Late arrivals are disruptive to the ensemble. Students who are repeatedly late will need to meet with the Personnel Manager. Students are expected to arrive at least 15 minutes prior to the start of rehearsal so they can be fully prepared and for rehearsal to start on time.

School Music Program Participation Policy:

As the CSYO Program relies on its partnership with Cape school music programs, all CSYO Program members are required to participate in their school music program, if one is offered. At all grade levels, when scheduling conflicts arise between the CSYO Program and school music events (especially performances), participation in those school music events is given precedence, resulting in an excused absence.

Student Behavior/Rehearsal Expectations

Reasonable standards of behavior and dress are expected while rehearsing, performing, or participating in any event or activity associated with the CSYO Program. No set of rules can cover every possible situation. The list below, along with common courtesy and respect, offers a guide to appropriate behavior:

1. Demonstrate respectful and polite behavior with CSYO Program staff, guest musicians, and fellow students
2. Put trash in the appropriate containers. We are guests in our rehearsal/concert spaces; leave no trace behind
3. During breaks from rehearsal, remain in the rehearsal space or in the area immediately surrounding the building
4. Everyone must take care to avoid damaging instruments or any property in the building. Members are responsible for their own instruments. Do not leave instruments or bows unattended where they might be damaged accidentally. Instruments should be safely put into cases during breaks or when not needed
5. Cell phones and other electronic devices are to be turned off during rehearsals
6. Plan ahead and use the restrooms before the rehearsal or at the break. Leaving mid-rehearsal is disruptive, so please reserve this need for emergencies only.
7. Do not bring food or drink, except water, into rehearsal spaces. Refillable water bottles are recommended to prevent spills and reduce waste. Please eat your snacks in the hallway or lobby before or after rehearsal or during breaks, and remember to dispose of your trash properly
8. Talk among musicians should be kept to a minimum during rehearsals, and should deal directly with issues related to the music at hand.
9. Books, homework, and other materials are not allowed during rehearsal. Musical scores are acceptable and encouraged (especially, if you are tacet for a movement)

PARENT SUPPORT

For members to fully benefit from the CSYO Program, we request that parents assist with their student's participation in the following ways:

1. Read all emails and materials from CSYO Program staff. Respond in a timely manner.
2. Ensure prompt arrival and pick-up at/from rehearsals and concerts.
 - Students are expected to arrive at least 15 minutes prior to the rehearsal start time.
 - Students should be picked up no later than 10 minutes following the end of a rehearsal or performance.
3. Support full attendance to all rehearsals and events by avoiding conflicts with family vacations/events.
4. Encourage private lessons, practice routine, and participation in school music activities.
5. Provide a snack and water bottle for rehearsals.
6. Introduce family friends to the CSYO Program, especially parents of prospective students.
7. Communicate with CSYO Program staff members regarding any concerns, questions, ideas. The sooner we are aware of your concerns, the better chance we have of resolving them successfully.
8. Attend all CSYO Program concerts and invite your family!

Volunteering: At various points in each season, the CSYO Program needs assistance from parent volunteers. Typically, this includes helping at concerts or special events, serving as a chaperone for Cape Symphony Tix4Music Concerts, or carpooling. Parents are always welcome to contact the CSYO Personnel Manager to volunteer or to add their name to a list of volunteers available for a particular task.

Donating: Please consider making a charitable gift to the CSYO Program to support accessibility through scholarship and continue the growth of the overall program!
